On January 3, 2014, the Board of the State Liquor Authority has voted to amend [Advisory 2013-8](#), issued on November 21, 2013. As originally stated in the Advisory, the areas north of Westchester County were required to deliver "bill and hold" items by 5:00 pm on January 8, 2014. Areas south of Westchester County were required to deliver "bill and hold" items by 5:00 pm on January 6, 2014. Based upon the current snowy weather conditions, Advisory 2013-8 is amended to permit the delivery date for all "bill and hold" items to January 8, 2014 by 5:00 p.m. for both areas north and south of Westchester County.
