The New York State Division of Alcoholic Beverage Control takes licensee information confidentiality and computer security very seriously. The Division web site uses industry standards to provide secure and protected content. We employ the use of digital certificates and Secure Sockets Layer (SSL) on our web site to provide a secure, encrypted connection between capable web browsers and our web servers. This secure, encrypted connection is required by our servers whenever you are asked to enter any kind of information that may be considered confidential.

We encourage you to read our [Privacy Notice](#) .
