[Wholesale Schedule Tutorial](#)

On January 28, 2014 the Authority sent a letter of notification to all licensed wholesalers and manufacturers which contains valuable information including a unique PIN number to enable initial access to the new price posting system by licensees. If you have not received your mailing within a reasonable time or if you are a new licensee, please contact the Wholesale Bureau to obtain your PIN number.

For the convenience of current price posters, the new system has been pre-populated with your February 2014 schedule information. Due to some formatting changes, reviewing and updating the pre-populated information will be necessary. Please find a tutorial below to assist you with the conversion from the old format.

KEG REGISTRATION LAW EXPIRES

On November 22, 2010, New York's Keg Registration Law expired. Licensees who sell beer at retail for off-premises consumption are no longer required to document and track keg sales on State Liquor Authority forms or collect the state mandated deposit. Licensees may still have their own deposit requirements to encourage patrons to return empty kegs to the licensee.
