Subject: Exemption for breweries who produce brands less than 1,500 annually  
Date: August 22, 2012

Recent legislation changes state that breweries that produce brands of 1,500 barrels or less annually (regardless of location) are now exempt from the \$150 annual brand label registration fee. In an effort to streamline the brand label registration and refund process for brands affected by recent legislation changes for the renewal period of 7/1/12-6/30/13, please comply with the enclosed forms and submit brand label certificate copies of said brands to the brand label permit unit no later than Friday September 28, 2012. Your prompt attention to this matter is appreciated.
