

Series 2010
Divisional Order # 826
April 1, 2010

State of New York
Liquor Authority

TO: Bureau Heads and Zone Offices
SUBJECT: Grocery Store License Stipulation (Divisional Order No. 780 Rescinded)

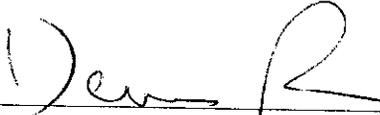

At their regular meeting of March 31, 2010, the Members of the Authority ordered that Divisional Order No. 780 be rescinded. The now no-longer-effective Divisional Order No. 780 had set forth grocery store guidelines and directed the use of an inventory stipulation that required the applicant to report in detail the value of displayed inventory for various types of products to be sold in the applicant's grocery store.

Also at the March 31, 2010 meeting, the Members of the Authority ordered that the attached Grocery Store License Stipulation is now to be executed by a grocer applying for a License to Sell Beer at Retail in Sealed Containers for Consumption Off the Premises, or for a License to Sell Beer and Wine Products at Retail in Sealed Containers for Consumption Off the Premises.

Whether a grocery store is in compliance with the Grocery Store License Stipulation may be determined by measuring the number of square feet of floor space that is devoted exclusively to the Consumer Commodities listed in the Grocery Store License Stipulation, and by dividing this number by the number of square feet of floor space occupied by the entire grocery establishment for which the alcoholic beverage license is sought. A sample calculation for a hypothetical grocery store would appear as follows:

384 ←	Number of square feet of floor space devoted exclusively to the Consumer Commodities listed in the Grocery Store License Stipulation (excludes alcoholic beverages and carbonated beverages),
441 ←	DIVIDED BY the total number of square feet of floor space occupied by the entire grocery establishment for which the alcoholic beverage license is being sought,
0.87 →	ESTABLISHES that, <i>for this particular store</i> , the floor space exclusively occupied by Consumer Commodities constitutes 87% of the Total Floor Space occupied by the applicant/licensee Grocery
