
Alcohol Training Awareness Program

By sla-admin

Published: 01/22/2008 - 10:00

The Agency regularly conducts informational seminars, as well as setting the minimum standards for and certifying schools to provide ATAP (Alcohol Training Awareness Program) training. These programs help licensees to comply with the Alcohol Beverage Control Laws, and emphasize how to stop underage drinking and sales to intoxicated persons. Our goal is to provide a safe environment at licensed establishments as well as preserve the health, safety and welfare of the citizens in our communities.
