

ADDITIONAL REQUIREMENTS FOR FILING BALLPARK (GOLF CARTS)

- 1) Complete and return the enclosed application for Retail License – Ball Park Beer, Class 144. This is a three-year license with an Application Fee of \$676.00 (\$576 + \$100 filing fee) + \$75 fee for each Fingerprint Card.**

The Applicant is limited to a TOTAL OF THREE CARTS, (Basic and two Additional Carts). The 676.00 Application Fee covers the Basic Cart only. If the application includes additional carts, submit an additional \$110.00 for each Additional Cart along with the completed Additional Bar Application (attached) for EACH add on Cart.

- 2) Submit a detailed Plot Plan of the Golf course to denote its layout and to show the location of any restroom facilities that will be available or erected on the grounds.**
- 3) Submit a detailed description of each Golf Cart you are applying for. Description must include the carts overall dimensions including a description of key areas such as the cooler and snack compartments, and how each will be stocked.**
- 4) Submit a photo of each cart measuring which clearly depicts the cart and its components**
- 5) Complete the Method of Operation section of the On-Premises Retail Application. In addition, submit a detailed plan that includes hours of operation, staffing and source of inventory. Also, include a statement explaining how books and records will be maintained.**

(NOTE: if the Golf Cart BP operation will be used in conjunction with a Seasonal License, be advised that the BP license must be placed on Deposit in Safekeeping with the State Liquor Authority at the end of each season simultaneous with the expiration of the Seasonal License)
