**NOTICE TO WHOLESALERS AND MANUFACTURERS REGARDING
ELECTRONIC FILING OF PRICE SCHEDULES**

The New York State Liquor Authority (SLA) has agreed to extend the effective date for the required electronic filing of price schedules from July to October to allow our licensees additional time to modify their systems and processes for compliance. Wholesalers who **can comply** with the previously distributed July deadlines for Wholesale and Retail electronic price filing submissions will not be required to provide hardcopies to the Authority as is currently required.

The new deadlines for the submission of electronic filings are as follows:

WHOLESALE SCHEDULES (Liquor and Wine)

➤ **Filed by October 25th - Effective December 1st.**

RETAIL SCHEDULES (Liquor and Wine)

➤ **Filed by November 5th – Effective December 1st.**

Wholesalers and Manufacturers who **can not comply** with the original July deadlines must continue to submit their price schedules via mail as previously required. As previously mentioned, those who can comply with the original deadline will not be required to file by mail and their electronic submission will be accepted by the SLA.

Electronic price postings filed in July, August and September will be printed by SLA and made available along with the mailed submissions in each Zone office. Beginning in December, all postings will be available for viewing online.

The SLA is committed to working with our licensees to ensure that the new e-Wholesale Price Posting system is a success. System modifications are currently underway based on user feedback from the first 3 month transition period. By July 1st, a price posting information page will be added to the e-Wholesale section of the web site with the following information available on the page:

- Frequently Asked Questions.
- Best Practices related to the electronic price filing process.
- Current and future system modifications.

If you have any questions or concerns related to this memo or the e-Wholesale Price Posting system, please do not hesitate to contact our Wholesale Bureau or IT Department.
